DETAILED ACTION

Specification

1. Claims 5, 6 and 20 are allowed.
2. Claim 21 is not considered because it not read on the elected species 2, Figure 8 (see Non Final Office Action dated 12/11/2007).

Response to Arguments

3. Applicant's arguments filed on 09/24/2008 have been fully considered but they are not persuasive.

Applicant argues that the Office Action indicates that claim 21 was withdrawn from consideration. This appears to be a mistake by the Examiner. More specifically, claim 21 was elected in the Response filed September 27, 2007, and was considered by the Examiner in the subsequent Office Action mailed December 11, 2007. However, the Office Action mailed December 11, 2007, paragraph 1, indicated that Claim 21 is not considered because it not read on the elected species 2, Figure 8.

Conclusion

4. THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE

MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
